Notes about the Author: My name is Richie Summerville and this is the tenth year that I have calculated the RPI for Division One women's basketball and eighth for the WBCA. I work for ESPN Radio 1310 in Virginia Beach, Virginia where I am the producer for the Old Dominion Lady Monarchs radio broadcasts. Great thanks go to Lady Monarchs head coach Wendy Larry who gave me the inspiration to start this and I hope those of you viewing these pages find the information useful.

Sincerely
Richie Summerville

The Conference RPI is calculated using all division one games except those played against independents. This ranking is used to compare conferences. Since independents, by their own circumstances, are not part of a conference and not officially combined as a group their games cannot be used. Games played by conference members that are not counted in the league standings are not used in this calculation. The complete non-conference record is shown above. The Conference RPI Average is the average of all RPI's within a given conference. This ranking is provided to show a contrast between that and the Conference RPI.
