Notes about the Author: My name is Richie Summerville (Clarion University of PA - Class of 1990) and this is the ninth year that I have calculated the RPI for Division One women's basketball and sixth for the WBCA. I work for ESPN Radio 1310 in Virginia Beach, Virginia where I am the producer for the Old Dominion Lady Monarchs Radio Broadcasts. Great thanks go to Lady Monarchs head coach Wendy Larry who gave me the inspiration to start this and I hope those of you viewing these pages find the information useful.

Sincerely
Richie Summerville

WBCA/Summerville RPI

as of December 7, 2003

I'm not sure how often I can do notes for the RPI reports but I thought I'd share some things I've noticed for some teams. I'm sure there are some other teams that deserve to be mentioned in the following but these are the ones that jumped out at me. I'll start by focusing on the non-conference starts a few teams have had that will benefit their RPI by seasons end.

Big East Starts.

Virginia Tech is 6-0 and has a good chance at going undefeated in the rest of their non-conference schedule. The more difficult games will be at home vs Maryland and Liberty.

Miami is 6-0 with the rest of their non-conference games (5) at home including Florida, Richmond, and likely Vanderbilt.

Boston College is 7-0 with 4 non-conference games left with only one on the road.

Interesting that all 3 will be in the ACC soon.

Connecticut: UConn has their shot at it too but a bit more difficult road than the others with Duke and Tennessee on the horizon.

Don't forget about.....

Conference USA has four unbeaten teams and the Big XII has three. The Big XII is the only conference that currently has every team over .500. Big games for the unbeaten in the Big XII. Baylor is at Penn State on Dec. 9. Tennessee is at Oklahoma on Dec. 21 and Stanford is at Texas Tech on the same day.

Some numbers.

There are 20 undefeated teams and 27 winless teams. Home teams have won 67.8% of their games.

Better than last year.

Some teams have surpassed or are close to their win totals for last year.

Towson won 3 games last year. This year they are 3-1.

Hartford won 7 games last year. They are off to a 5-1 start.

Washington State won 2 games last year. This year 4-2.

Nebraska won 8 games last year and are at 5-1.

Idaho won 10 games last year and is halfway there at 5-0.

Arkansas State won 12 games and is off to a 7-0 start.

Iona won once last year and was winless in the MAAC. This year they have won 3 with 2 of those in conference.

Streaky

Georgetown won their first four games of the year. All on the road, at George Washington, at Lafayette, at George Mason, and at New Hampshire. Granted two of those games were in the metro D.C. area but still road games. They then lost their first two home games to Richmond (by 2) and Indiana (by 10)

Weird Scoring

Tennessee has won 3 games this year. The Lady Vol's scored 83, 83, and 85 in the wins.

Old Dominion has won 4 games this year. The Lady Monarch's scored 75, 75, 75, and 73.

Until next time.

Richie Summerville

WINNING PCT. (Part One) = 25% of RPI [Games played against non-division-one teams are excluded.]

SCHEDULE STRENGTH or OPPONENTS WINNING PCT. (Part Two) = 50% of RPI

OPPONENTS SCHEDULE STRENGTH or OPP/OPP WINNING PCT. (Part Three) = 25% of RPI.

This version of the RPI makes no adjustment for deducting a team's record from its schedule strength.

The premise here is that any team is inescapably

a part of its opponents' cumulative schedules. Not all RPI calculations respect this premise

The Conference RPI is calculated using all division one games except those played against independents. This ranking is used to compare conferences. Since independents, by their own circumstances, are not part of a conference and not officially combined as a group their games cannot be used. Games played by conference members that are not counted in the league standings are not used in this calculation. The complete non-conference record is shown above. The Conference RPI Average is the average of all RPI's within a given conference. This ranking is provided to show a contrast between that and the Conference RPI.
