Title:

Reservation of Facility During the Summer by Certified Strength and Conditioning Coach (III)

Date Published: March 23, 2016

Type: Official Interpretation

Item Ref: 2a

Interpretation:

The Interpretations and Legislation Committee confirmed that, outside the playing and practice season, an institution's certified strength and conditioning coach may only reserve an athletic **facility** for voluntary workouts that he or she will conduct. Because a certified strength and conditioning coach is only permitted to conduct voluntary workouts **during** the academic year, the certified strength and conditioning coach may not reserve an athletic **facility during the summer**. A student-athlete, however, may access a weight room designated exclusively for student-athletes at any time, including **during the summer**.
