

**NCAA Division I Interpretations Committee Determination and  
NCAA Division I Committee for Legislative Relief Blanket Waiver for  
Managers Enrolled at a Difference Institution  
Approved for 2018-19 Academic Year**

On February 13, 2019, the NCAA Division I Interpretations Committee issued a determination that requires a student to be enrolled full time at the certifying four-year institution to meet the requirements of the manager legislation as specified in NCAA Bylaw 11.01.7. This determination overturned the staff confirmation [Reference: 12/6/18] which permitted managers to be enrolled at any four-year institution. The academic and membership affairs staff approved a blanket waiver for the remainder 2018-19 academic year that permits an individual to continue serving as a manager if he or she is enrolled as a full-time student at any four-year institution and meeting the additional requirements of the manager legislation.

In granting the blanket waiver, the staff noted:

1. Relief is provided for the remainder of the 2018-19 academic year only.
2. The blanket waiver addresses any detrimental reliance on the staff determination [Reference: 12/6/18], which permitted managers to be enrolled full time at any four-year institution.
3. The blanket waiver provides institutions with appropriate flexibility for the remainder of the 2018-19 academic year.
4. The blanket waiver provides institutions with adequate time to ensure effected managers are meeting the legislation for the 2019-20 academic year.
