<div>Campus Tours During Camps or Clinics (1)</div> <div>Date Published: June 25, 2015 Type: Official Interpretation Item Ref: 1 Interpretation: The Legislative Committee determined that it is not permissible for an institution's athletics department to conduct a campus tour during an institutional sports camp or clinic. A prospective student-athlete may participate in a campus tour that is generally available to all prospective students, provided the athletics department is not involved in conducting or arranging the tour. In addition, the institution may conduct a tour of facilities that are utilized during the camp or clinic (e.g., residential hall, cafeteria, training room).
