Title:

Written Offer of Aid Before Signing Date for a Prospective Student-Athlete Enrolled in a Nontraditional Academic Calendar (I)

Date Published: December 19, 2014

Type: Official Interpretation

Item Ref: 2

Interpretation:

The committee determined that if a prospective student-athlete attends an educational institution that uses a nontraditional academic calendar (e.g., Southern Hemisphere), an institution may indicate in writing on or after the opening day of classes of his or her senior year in high school that an athletically related grant-in-aid will be offered by the institution.
