YOLANDA MOORE EXEMPLIFIES THE HEART OF A CHAMPION!

Yolanda Moore is a woman whose relentless will fueled her drive and overcame the stereotypes of being a teen mom to become a two-time WNBA Champion, Author, Best-Selling Author, and Division I Head Women's Basketball coach. Her background includes leadership roles in retail management, financial sales, secondary and higher education, and career development. Yolanda holds bachelor degrees in English and Radio & TV, a master's degree in Workforce Educational Leadership, a specialist degree in Education Technology, and is completing her PhD in Instructional Systems & Workforce Development. She is a Career Success Strategist with extensive experience in recruiting and talent acquisition and has managed departmental budgets in excess of \$700,000.

She was handpicked by world renowned motivational speaker Dr. Eric Thomas, also known as "ET the Hip Hop Preacher" to be the first female speaker featured on his acclaimed YouTube Series, "Thank God It's Monday" and as a recurring speaker at his weekly student empowerment session, The Success Series, held each school year on the campus of Michigan State University. With guidance from Dr. Thomas, Yolanda launched her own YouTube series, "Straight from the Coach's Mouth" to empower women across the globe. She is the CEO of Yolanda Moore 33 LLC, a boutique career development and motivational training and consulting company. Yolanda teaches athletes and other professionals how to leverage their unique personal and professional experiences in the marketplace.

“

"Yolanda came in and really got our group fired up. She was energetic and our teachers were engaged the entire time. They laughed a lot and some were even moved to tears. Her message of teamwork and holding each other accountable was a game changer for us."

JOHNATHAN KEGLER,
Principal, Peete Elementary School
Tyler Independent School District (Texas)

"Coach Moore is the epitome of one who was knocked down and got back up again and again. As a result, she is an authority on the power of resiliency and leveraging one's pain for profit. I highly recommend any organization or individual seeking to rebuild, bounce back from a loss or create a winning culture seek her expertise."
